## Cooking with your children

Cooking offers children a way to learn valuable life skills and good nutrition.

Children learn about math, culture, organization, following directions and responsibility. Consider it "scrumptious schooling on the sly!" Check the Parent Corner for some great guidelines and age appropriate cooking tips!

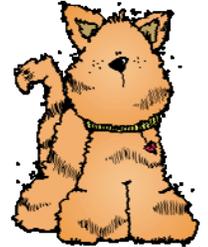

## Alliteration

Caleb crunched his carrots in the car.

## Fun with C

- Count cans in your cupboard
- Clap to music
- Crawl like caterpillars or crabs
- Pretend to be a cat
- Conduct music
- Climb stairs or pretend mountains
- Have crunchy cucumbers, crackers or carrots for a snack
- Drink cranberry juice

In the beginning God **created** the heavens and the earth.

**C** is for cat, **C** is for cap

**C** is for carrot, crayon and clap

**C** is for camel, cow, cup and car

**C** is for cookies in a cookie jar

Hooray for **C**, big and small -

the coolest, craziest letter of all.

## Cutting with scissors

Learning how to cut with scissors is one of the skills we learn at preschool. If you are practicing at home, please make sure that your child is cutting with their thumb on top. They will need to learn to turn the paper as they cut and not their hand! Look in the Parent Corner for more cutting tips.
